

Music 4 All

The Charger Bands Booster Organization was formed for the following educational purposes:

To promote, support, and create interest and participation in the Cox Mill High School band programs among the students, parents, faculty, and community-at-large.

To support the band programs of Cox Mill High School by raising funds to be used to help provide a quality educational program and to enable each student participation in music competitions through scholarships and grants.

With this in mind the Cox Mill Charger Bands Booster Organization has a new program designed to help students who are in need of fulfilling their band obligations.

This program is **Music 4 All**. All funds raised through Music 4 All will be distributed equally into band accounts of students in need of assistance.

It is our goal to make music fun and enjoyable for both parents and students. We hope this program will help in this endeavor.
